Thanks for the heads up, Tom. I will check out the complaint and let you know if I have any immediate questions. I'm glad to hear the action is still on schedule to be finalized by the end of the year. Please let me know if you expect that to change.

Best,
Sheila

Sheila,

FYI – CBD filed a mandatory duty complaint in the district of Oregon today. I only have the complaint from CBD's website, so I'm not sure of the docket number. Earlier today we also received an NOI about the same subject matter from Northwest Environmental Advocates. We're still on track to finalize our decision document within the next few weeks, which should moot all this out.

Let Lori and I know if you have any questions.

Thanks,
Tom

Hello, Sheila. I received an out of office message for Tom. He is back in Tuesday. Let's try to talk on Tuesday morning if that is ok.

Hi Lori,

Do you have any time to discuss this case today or early next week? I see that the 60-day notice period has run and am curious to know if there has been any movement. It would also be helpful to discuss background and where EPA is on the issues raised in the NOI.

Thanks,
Sheila

Ken—Here is the NOI on the Oregon 303(d) list and Ocean Acidification. Lori Cora is the region 10 attorney handling this matter. Thanks!
